Covestro resolves on share buyback program with volume of approx. EUR 500 million

The Board of Management of Covestro AG – in light of the successful business development – today resolved on a share buyback program. The program amounts to a total volume of approximately EUR 500 million (without ancillary transaction costs) and shall be concluded within two years. Generally, the repurchased shares are subsequently to be cancelled and the share capital is to be reduced accordingly.

The share buyback program is based on the authorization by the Annual General Meeting of Covestro AG on April 12, 2019, authorizing the Board of Management to purchase up to 10 percent of the company's share capital until April 11, 2024.

The purchase shall be executed via stock exchange and be conducted in compliance with the safe harbor provisions of Article 5 of Regulation (EU) No 596/2014 of the European Parliament and of the Council of April 16, 2014 (MAR) in conjunction with the provisions of the Commission Delegated Regulation (EU) 2016/1052 of March 8, 2016.

About Covestro:

With 2020 sales of EUR 10.7 billion, Covestro is among the world's leading polymer companies. Business activities are focused on the manufacture of high-tech polymer materials and the development of innovative, sustainable solutions for products used in many areas of daily life. In doing so, Covestro is fully committed to the circular economy. The main industries served are the automotive and transportation industries, construction, furniture and wood processing, as well as electrical, electronics, and household appliances industries. Other sectors include sports and leisure, cosmetics, health and the

chemical industry itself. At the end of 2020, Covestro has 33 production sites worldwide and employs approximately 16,500 people (calculated as full-time equivalents).
